

John Brooke, Humanities Distinguished Professor of History at Ohio State, introduces Andrew Price-Smith at the Mershon Center on September 28, 2012.

Andrew T. Price-Smith is Director of the Energy, Environment and Security Program, Director of the nascent Global Health Program, and Associate Professor of Political Science at Colorado College.

Professor Andrew Price-Smith spoke on the topic of “Climate Change, Disease, and the State: Lessons from History.”

Professor Andrew Price-Smith speaks with attendees at the event.
